# Infectious Diseases: Atlas, Cases, Text, 1st Edition

**By Robin Cooke**

**New Australian title –  
A definite “must have”!!!**

Infectious diseases are the world's leading cause of premature death.

***Infectious Diseases; Atlas, Cases,***

***Text*** presents 1500 high quality colourful images of symptoms resulting from infections, as well as laboratory preparations, electron micrographs, scan images and radiographs.

This book is an essential user-friendly aide for the diagnosis of infectious diseases. A core area of study in the medical curriculum, ***Infectious Diseases; Atlas, Cases, Text*** also utilises case studies to fulfill training needs and to better prepare medical students, medical scientists, medical professionals, the public sector and other groups.
