# Harrison's Principles of Internal Medicine: Self-Assessment & Board Review, 17th Edition

By Charles Wiener, Anthony Fauci, Eugene Braunwald, Dennis Kasper, Stephen Hauser, Dan Longo, Larry Jameson & Joseph Loscalzo

**The ultimate study partner, based on the classic content of *Harrison's Principles of Internal Medicine, 17e***

When it comes to preparing for IM certification, recertification/maintenance of certification, or CME, there's no better study tool than the one that bears the Harrison's name: ***Harrison's Principles of Internal Medicine, Self-Assessment and Board Review***.

Reflecting all the authority and accuracy of Harrison's 17e content, this guidebook features more than 1000 review questions, along with complete answers and explanations derived from-and cross-referenced to-the parent text. Also included are references to recent journal articles that solidify your understanding of key information.

## Features

- Content that closely follows the organization and coverage of the 17th edition of ***Harrison's Principles of Internal Medicine***
- Over 1000 revised and updated questions simulate those on the primary certification examination in internal medicine
- High-yield content reflects the weighting of subject matter included on the Internal Medicine Examination Blueprint
- Detailed explanations of correct answers
- Coverage spans the entire spectrum of internal medicine
- Author team includes the Harrison's editors, who are among the most prominent and highly regarded academic physicians in the world
- **NEW!** Expanded Colour Atlas insert
- **NEW!** Added questions on professionalism, ethics, health disparities, and all the clinical areas updated within Harrison's 17th edition

## The Editors:

**Charles Wiener**, MD, is the Residency Program for one of the most high visibility training programs in the world, the Johns Hopkins University Osler Training Program.

The Harrison's editors (**Fauci, Braunwald, Kasper, Hauser, Longo & Loscalzo**), are among the most famous and highly regarded academic physicians in the world.
